

Imagine...

...carrying ONE KEY for everything you own!

Are you a High School Janitor?

Why are you carrying such a large wad of keys?

- Business
- Home
- Pad lock
- Desk lock
- Tool box
- Push-in-file cabinet

There are retrofit cylinders for just about everything!

Tired Of Changing Your Locks Every Time Somebody Leaves?

Keys **just** stamped “Do Not Duplicate” are worthless. (*No key control*)

MUL-T-LOCK requires a “Key Card” or “Signature Card” to have copies made. Thus, it is impossible for employees to have duplicate keys made. (*Total key control*).

KEY CARD REQUIRED FOR KEY DUPLICATION

INTERACTIVE KEY

Do you feel safe inside your Business and home?

Do you know where every key to your business and home is?

Has a worker or outside contractor copied your key without your knowledge?

Did you know you can buy lock picks on the Internet?

Go to Yahoo, type “LOCK PICKS” – find the results frightening?

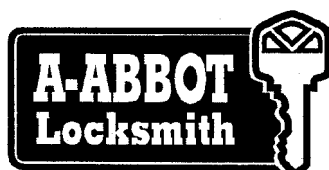

MUL-T-LOCK cylinders are virtually pick-proof and extremely drill resistant.

Yeah, But . . . I have an Alarm!

Do you really think it will protect you?

Set off your alarm and just see how long it takes the police to arrive.

Physical security...your lock and key cylinders are your first line of defense!
